

5-Star Safety Lawyers Award
to
Sherrard Kuzz LLP and Lisa Bolton
recognizing excellence in Occupational Health & Safety

October, 2021

Congratulations to Sherrard Kuzz LLP and Lisa Bolton on being awarded a **2021 5-Star Safety Lawyers Award**, by *Canadian Occupational Safety*, Canada's premier publication on occupational health and safety.

To determine the best lawyers and law firms serving the safety industry, *Canadian Occupational Safety* sourced feedback from hundreds of safety leaders across Canada asking them to identify what they value most in the law firms with which they collaborate, and to rate the safety law firms and lawyers with which they had worked during the previous 12 months.

The law firms and lawyers that received the highest rankings in terms of **work quality, specialist expertise and client service** were declared 5-Star Award winners in the field of safety law.
