

Federal Budget 2024 - Tabled

April 2024

On April 16, 2024, the federal government tabled its 2024 Budget, “[Fairness for Every Generation](#)” (Budget).

Among other items, [several proposed legislative amendments have implications for employers](#). These include:

- An amendment to the *Canada Labour Code* to require a federally regulated employer to implement a “right to disconnect” policy limiting work-related communication outside of working hours
- An amendment to the *Canada Labour Code* to strengthen prohibitions against employee misclassification purportedly to improve job protection for federally regulated gig workers
- An amendment to the *Employment Equity Act* to expand the designated equity groups
- Creation of a [working group to explore ways to enhance domestic investment opportunities for Canadian pension funds](#).

We will continue to monitor these matters and keep our readers apprised of developments.
