

WSIB Key Practices and Procedures - Return to Work: Common Pitfalls, Tips and Intersection with Human Rights

HALF-DAY INTENSIVE WORKSHOP

Effective management of return to work following a workplace injury can significantly improve cost outcomes related to most WSIB claims, while ensuring employers meet human rights obligations.

This half-day workshop will help you acquire the tools you need to confidently address key issues related to return to work. Applying interactive learning and real-life scenarios, topics for this workshop include:

- **Employee and Employer WSIB Return to Work Obligations:** What are they?
- **Human Rights and Return to Work:** How does the duty to accommodate intersect with employers' WSIB return to work obligations?
- **Potential Penalties:** What happens if employers fail to meet their return to work obligations?
- **Common Pitfalls and Tips for Return to Work:** Key challenges and proactive ways to address them.
